## C. & O. FLTER DERAILED

Muncie, Ind., September 9—Traveling forty miles an hour eastbound Chesapeake and Ohio passenger train No. 4 was derailed at a point near Medford, eight miles southeast of Muncie, last night.

The engine was turned over on its side and the dining car, baggage car and day coach were derailed.

The most seriously injured was A. E. Becker, baggageman of Chicago, whose left foot was mangled.

Others injured: Fred Keith, porter, Cincinnati, head cut; Bob Harris, engineer, Peru, back wrenched; Joe Stephenson, fireman, Peru, shoulder bruised; A. E. Becker, baggageman, Chicago, left foot badly mangled.

Spreading rails caused the wreck.

Train No. 4 is due here at 10:45 a. m., and is known as the New York Flyer. When officials learned that it had figured in a wreck an extra No. 4 was made up at Cincinnati Saturday night and arrived here on time. Passengers on the derailed No. 4 came East Sunday on C. & O. No. 6.

## MRS. HOWE VERY LOW; PRESIDENT SUMMONED

New London, Conn., September 10—The condition of Mrs. Anne E. Howe, only sister of President Woodrow Wilson, who has been seriously ill at a local hotel for a week, was pronounced critical tonight by her physicians. Virtually no hope is held for her recovery. She is suffering from peritonitis and complications.

Miss Margaret Wilson, the President's daughter, is among members of the family at the bedside.

## Wilson Cancels Engagements

Long Branch, N. J., September 10—President Wilson received word late tonight that the condition of his sister, Mrs. Anne Howe, who is critically ill at New London, Conn., has taken at turn for the worse. The President cancelled all engagements for tomorrow and announced he would start for New London early in the morning. He plans to motor to New York and go from there by rail to New London.

## AMERICAN CONSULATE IN TURKEY DESTROYED

Berlin, September 10—By wireless to Sayville, N. Y.—The destruction of the American consulate at Alexandretta, Asiatic Turkey during a bombardment by Entente Allied warships is announced in a delayed Turkish official report dated September 4. "Small hostile warships shelled the open town of Alexandretta" the statement says. "The damage to Turkish property was insignificant. The United States Consulate was destroyed completely. No lives were lost."

This is of interest to Maysville people from the fact that Mr. Charles Allen, formerly of this city, is the American Vice Consul at this place. The assurance that no lives were lost will be good news to Charley's friends here who are all interested in his welfare.

## RAIDED CRAP GAME

Officers Throckmorton, Bloomhoff and Tolle raided a house in Morrison Alley late Saturday night and there found a large congregation of negroes shooting craps. Eight of the negroes were captured and will be tried before the Police Court this afternoon. This alley has always been a great gathering place for crap shooters and the police on a number of times have been able to capture some of them.

What is the best preparedness against sickness and disease? A thorough cleansing, purifying herb laxative taken occasionally, say once a week, is the safest, surest way to health and happiness. Hollister's Rocky Mountain Tea will "prepare the way." J. J. Wood & Son.

Stated meeting Maysville Lodge No. 52 F. & A. M. Monday evening 7:30. Visiting brethren cordially invited. Work in E. A. Degree. H. M. CLARK, Master. P. G. Smoot, Secretary.

## BOTH PARTIES STILL HOPEFUL

Portsmouth, Me., September 10—A big vote is predicted in the state election tomorrow. After a Sunday of comparative rest and review, and during which the heat of battle cooled somewhat, the party managers tonight declared they stood by figures proclaimed a close of the campaign last night. The Republicans claim everything with pluralities approximating 15,000. The Democrats claim pluralities of 3,000. They admit the outcome in the Third and Fourth Congressional Districts is in doubt. If an average is struck between the rival claims Maine, politically speaking, may be said to be either party's state tonight.

If Governor Oakley C. Curtis is re-elected by the Democrats the result will be accepted generally as an endorsement of the administration. If the Democrats, who now hold one of the four seats in Congress, return Daniel J. McGillicuddy and capture the second seat, it will be construed as showing that the First and Second Districts stand strongly behind the National executive.

If the Democrats, by a popular vote re-elect United States Senator Charles F. Johnson and win another seat in the Senate through the defeat of former Governor B. M. Fernald by Kenneth C. M. Mills, dean of Bowdoin College, it will be taken as evidence that the voters of the state generally wish to hold up the hands of President Wilson. The fight for United States Senators is especially important as upon the outcome may depend the control of the Upper House, to obtain which the Republicans must win nine seats now held by Democrats. For the first time Senators will be chosen by popular vote.

The control of the state legislature is important locally, as the two houses on a joint ballot elect the state officers with the exception of Governor and State Auditor.

## BREMEN LOST AT SEA IS BELIEF

Washington, September 3—The merchant submarine Bremen passed the British Channel patrol and was due to arrive in American waters ten days ago. Its failure to put in an appearance by this time practically convinced naval experts that she has been lost at sea.

It is learned that the Bremen successfully completed the first and most hazardous stage of her transatlantic journey. She was later in her scheduled than the captain of the submarine Deutschland predicted while he was in the United States, and this is accounted for on the ground that she was obliged to make several attempts to elude the British patrol.

But it is now known definitely that the Bremen did get past the British patrol and that the Admiralty fully expected to hear of her arrival in the United States. Granting to her a maximum period for the journey, it is said she should have arrived in American waters ten days ago. The only explanation of her non-appearance is that she has met with some mishap and has been lost. It is not believed now that her fate ever will be certainly known.

Boston, September 10—Charles E. Hughes, tired of his active campaign in Maine, spent Sunday resting here preparatory to leaving for Syracuse to address two meetings tomorrow. He left Boston tonight. The nominee went to the First Baptist Church in the morning, and in the afternoon took a motor ride with Mrs. Hughes and W. Cameron Forbes, president of the National Hughes Alliance.

His callers included James R. Garfield and W. Murray Crane. Mr. Crane spent nearly an hour with the nominee, discussing the Maine campaign and the situation in New England. On leaving Syracuse Mr. Hughes will go to Plattsburg, N. Y., to speak at the military training camp Tuesday. Thence he will go to Bridgehampton.
